

# First International Symposium on Multimodal Medical Engineering

第1回マルチモーダル計測医工学国際シンポジウム (MME)

**Date: March 3, 2017**

**Venue: Chiba University, Engineering Research Building 2 Conference Room**

千葉大学西千葉キャンパス 工学系総合研究棟2 2階コンファレンスルーム

## Opening Remarks 10:00-10:10

Minoru Seki, Vice-president of Chiba University

Tatsuo Igarashi, Director of CFME, Chiba University

**Free Admission**

聴講無料

## Overview of MME 10:10-10:30

Hideaki Haneishi (Chiba University)

## Session 1: Progress of the MME project 10:30-11:30

Hideki Hayashi, Toshiya Nakaguchi, Hiroshi Kawahira,

Mikio Suga, Kenji Yoshida, Takashi Ohnishi (Chiba University)

## Poster Session: 11:30-12:30

Lunch 12:30-13:30

## Session 2: Keynote Lectures 13:30-15:00

Jonathan Mamou (Riverside Research, **USA**) (Ultrasound)

Zhiwei Huang (National University of Singapore, **Singapore**) (Optics)

Ichio Aoki (QST, **Japan**) (MRI)

## Session 3: International Network of Multimodal Medical Engineering for Precision Medicine (Startup Session of 2017 JSPS Core-to-Core Program) 15:30-17:30

Markku Hauta-Kasari (University of Eastern Finland, **Finland**)

Stanislav S. Makhanov (Thammasat University, **Thailand**)

Lu Shi (Shanghai Jiao Tong University, **China**)

Adrian Chee (University of Waterloo, **Canada**)

Dr. Mamou

Dr. Huang

Dr. Aoki

Dr. Hauta-Kasari

Dr. Makhanov

Dr. Shi

Dr. Chee

## Closing Remark

Hideki Hayashi (Chiba University)

## Reception 17:45-20:00

Restaurant Colza

日本学術振興会  
平成29年度 研究拠点形成事業  
A. 先端拠点形成型 スタートアップセッション

Organized by: "Multimodal Medical Engineering Project" in Strategic Priority  
Research Promotion Program, Chiba University

Supported by: Institute for Global and Prominent Research, Chiba University
