

# Second International Symposium on Multimodal Medical Engineering

第2回マルチモーダル計測医工学国際シンポジウム

Date: Jan. 18, 2018

Venue: Chiba University,  
Engineering Research Building 2 Conference Room

千葉大学西千葉キャンパス 工学系総合研究棟2 2階コンファレンスルーム

## Opening Remarks 10:00-10:15

- Takeshi Tokuhisa, President, Chiba University
- Minoru Seki, Executive Director, Chiba University

## Overview of MME 10:15-10:30

- Hideaki Haneishi (Chiba University)

## Session 1: Progress of the MME project 10:30-11:30

- Hao Liu (Chiba University)
- Kazuyuki Saito (Chiba University)
- Kenji Yoshida (Chiba University)

## Poster Session: 11:30-12:30

Lunch 12:30-13:30

## Session 2: Keynote Lectures 13:30-15:00

- Hideyuki Hasegawa (University of Toyama)
- Izumi Nishidate (Tokyo University of Agriculture and Technology)
- Taiga Yamaya (National Institute of Radiological Sciences, QST)

## Session 3: International Network of Multimodal Medical Engineering for Precision Medicine (JSPS Core-to-Core Program Session) 15:30-17:40

- Hideaki Haneishi, Overview of Activities in FY2017
- Markku Hauta-Kasari (University of Eastern Finland, Finland)
- Stanislav S. Makhanov (Thammasat University, Thailand)
- Fuyou Liang (Shanghai Jiao Tong University, China)
- Takuro Ishii (University of Waterloo, Canada)

## Closing Remarks

- Tadashi Yamaguchi (Chiba University)

## Reception 17:45-20:00

Restaurant Colza

Dr.Nishidate

Dr.Hasegawa

Dr.Yamaya

Dr.Hauta-kasari

Dr.Makhanov

Dr.Liang

Dr.Ishii

**Free Admission**  
聴講無料

Organized by: "Multimodal Medical Engineering Project" in Strategic Priority Research Promotion Program, Chiba University  
Supported by: Institute for Global Prominent Research, Chiba University  
Japan Society for the Promotion of Science (JSPS)
