## International Forum on Medical Imaging in Asia (IFMIA) 2011

(Collocated Conference: Joint Forum on Medical Imaging of Japan, January 19<sup>th</sup>-20<sup>th</sup>, 2011)

January 18<sup>th</sup>-19<sup>th</sup>, 2011 Tenbusu Naha, Okinawa, Japan

<http://www.cfme.chiba-u.jp/~ifmia2011/>

**Abstract deadline: September 30<sup>th</sup>, 2010**

The International Forum on Medical Imaging in Asia (IFMIA) is providing a chance to exchange new ideas and the latest development in this field for academic researchers, biomedical scientists and engineers, and clinicians in all Asian countries. IFMIA2011 will be held from 18th to 19th January 2011 at Tenbusu Naha in Okinawa, Japan. This forum is focused on all technical and practical aspects of medical imaging.

Furthermore, Joint Forum on Medical Imaging of Japan will be continuously held from 19th to 20th January at the same place. English paper is also welcome. Please visit the IFMIA2011 website for more information.

### General chairs

Hideaki Haneishi (Chiba Univ., Japan), Jong Beom Ra (KAIST, Korea)

### Program chairs

Yoshinobu Sato (Osaka Univ., Japan), Jong Hyo Kim (Seoul National Univ., Korea), Ruey-Feng Chang (National Taiwan Univ.), Tianzi Jiang (Chinese Academy of Sciences, China)

### Steering committee

Hideaki Haneishi (Chiba Univ.), Yoshinobu Sato (Osaka Univ.), Naozo Sugimoto (Kyoto Univ.), Yoshitaka Masutani (Univ. of Tokyo), Kensaku Mori (Nagoya Univ.), Mikio Suga (Chiba Univ.), Ryo Haraguchi (National Cerebral and Cardiovascular Center), Junichi Hasegawa (Chukyo Univ.), Hyoungseop Kim (Kyushu Institute of Tech.), Takashi Obi (Tokyo Institute of Tech.), Keishi Kitamura (Shimadzu Co.), Toshiya Nakaguchi (Chiba Univ.)

### Advisory board

Hiroshi Fujita (Gifu Univ., Japan), Jung-Gi Im (Seoul National Univ., Korea), Noboru Niki (Tokushima Univ., Japan), Chil Hwan Oh (Korea Univ., Korea), Pai-Chi Li (National Taiwan Univ.), Takao Akatsuka (Yamagata Univ., Japan), Yeong Gil Shin (Seoul National Univ., Korea)

### Contact:

Tel/Fax +81-43-290-3405

### Topics

Topics of interest include, but are not limited to:

- Medical Imaging (X-ray, CT, MR, US, Nuclear, Optical, etc.)
- Imaging Physics and Acquisition
- Molecular Imaging
- General Medical Image Analysis (Segmentation, Registration, Feature Extraction, etc.)
- Computer Aided Diagnosis
- Computer Aided Surgery and Therapy
- Computational Anatomy and Computational Physiology
- Medical Visualization, Interactions, Virtual/Augmented Reality, and Simulations
- Medical Informatics (PACS, IHE, Telemedicine, E-Health, etc.)

### Abstract submission

Please submit a 200-300 word text abstract by September 30<sup>th</sup>, 2010 via the conference website. The contact author will receive notification of acceptance by e-mail no later than the middle of October 2010. Accepted papers will be sorted between oral and poster presentations and assigned a location within the conference schedule.

### Proceedings

Submission of the final manuscript for publication in the conference proceedings is required for all accepted papers. Recommended length of each manuscript is two or more pages but less than 10MB. The deadline for submission is the middle of December, 2010. Conference proceedings will be delivered to all participants in the form of a USB memory stick.

### Co-sponsors

JAMIT (The Japanese Society of Medical Imaging Technology), MI (Technical Group of Medical Imaging, IEICE), MII (Japan Society of Medical Imaging and Information Sciences), SPSTJ (The Society of Photographic Science and Technology of Japan), Korean Society of Imaging Informatics in Medicine, Biomedical Engineering Society of the ROC
